Training Compounders

From

The Senior Surgeon

No. 4.C22 Dated 15.7.20 Received 17.7.20

Diary No. 879	Enclos.	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Suggests that Krishnarajendra Hospital, Mysore, may also be made a training centre for Compounders, as necessary facilities exist there for the purpose.

NOTES AND ORDERS.

1/ The Senior Surgeon in his letter No. 4.C 353 dt 10.4.20 has stated that the Compounders' class will be opened in the Medical School.

1/ 2) Submitted proceedings with draft for approval or other orders. The suggestion seems to be a good one.

H. H. the Maharaja of Mysore, Bangalore.

Med 1920

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

With reference to Government order No.G.24459-60-Med.110-19-2, dated 27th April 1920, sanctioning the grant of 24 scholarships for male candidates and 4 for female ~~exxx~~ candidates for undergoing training in the art of compounding in the Medical School, Bangalore, I have the honor to report that only 19 applications were received and out of them, 17 candidates who were considered to possess the required standard of educational qualification were selected for the award of scholarships. But only 5 of these candidates have, till now, appeared and executed the prescribed covevant. It is very likely that candidates from the distant parts of Mysore Hassan, Kadur and Shimoga find it difficult to maintain themselves in a costly place like Bangalore, on the small scholarship of Rs.8/- I would therefore suggest the Krishnarajendra Hospital, Mysore, being also made a training centre for compounders, as necessary facilities exist there for the purpose.

Should the Government be pleased to approve of this proposal,

Carl
